

14th February 2020

EXCITING NEWS – THE BUILDING WORK IS STARTING

Dear parents and carers,

We have exciting news, all contracts have now been signed and Phase 2 of building can now start. Over half term surveys will be completed of the site and work will commence on the erection of fencing to ensure that the building works are completely separate to the rest of the school.

On Monday 24th February 2020 – which is the first day back of spring term 2 you will be able to see that the fencing and site buildings for the construction team are in place. The team are used to working with schools and existing buildings and will ensure that the safety of the pupils is paramount. All deliveries will take place during the day after drop off and pick up.

This of course now means that entrance and exit to our school will change to the gate at the far end by Polkadot. The top pedestrian gate and the side one by our hall will be closed for the duration of the build.

Please consider that you may need a bit more time to get to school in the mornings especially if you walk to school. **Our gates close at 8.55am which is when registration takes place in the classrooms.** Please remember that if you are driving to be extra considerate about where you park. Do not block resident's driveways or the school car park gates. Please don't double park or park on the grass verges. Consider if you do need to drive.

The building should be completed if everything goes according to plan by Christmas. What a present that will be for our KS2 children. They will be the ones moving into the new classrooms!

Thank you for your understanding and please don't hesitate to come and see me or Mrs Abernethy if you have any concerns

Kind regards,

Mrs Gill Humphriss

Executive Head Teacher.
