5. Planned expenditure					
Academic year	2017/18				
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A) Improved progress/behaviour/well-being	Staff training on meeting the needs of pupils with SEND, ASD, attachment difficulties	Getting the best out of pupils can only be done if staff have an understanding of how conditions, circumstances and needs may affect learning and behaviour.	SEND leader disseminate training to staff Monitoring of teaching and learning	SENDCO SLT	Jan 2018
B) High ability pupils maintain enthusiasm for learning and continue to make good progress	Ongoing staff training on differentiation, high expectations, challenge and problem-solving	We want to ensure that PP pupils can achieve high attainment as well as simply 'meeting expected standards'. Relevant staff will provide stretch and encouragement for these pupils	Under the direction of the class teachers implement targeted interventions	SEND Leader	Termly
C) Engaging curriculum accessible to all pupils	CPD on Cornerstones	All teachers have full training on how to plan an engaging curriculum that engages all pupils and ensures progress is made across the curriculum by all pupils.	Monitoring from HT (Lesson obs, book trawls) Analysis of outcomes	SEND leader HT	Half Termly
D) Teachers skilled in knowing how to ensure all pupils make good or better progress in Maths and English	CPD (see LIP) EYFS NQT	Ensuring teachers are suitably equipped with the most current pedagogies is the most successful way to ensure all our pupils, including PP have the capacity to achieve their potential.	Quality CPD	HT	Termly Supply:

ii. Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation ?
A. Use of SEND Lead and head to deliver the most effective use of targeted support work	1:1 sessions twice a week with TA and pre teach	Some of the students need targeted support to catch up. This is a methodology which ensures that teaching is provided by a designated TA.	Class teachers will manage their class to best meet the children's needs, with first reference to Pupil Premium Children. Effectiveness of teaching, learning and progress will be assessed during learning walks, book trawls, peer reviews and pupil progress meetings.	Class teacher Head SEND leader	Half Termly
B. SEND Leader interventions teaching in year 1 and 2 for Mathematics and English	Additional teachers and experienced school staff identified to lead smaller group teaching of core areas. This ensures 'quality first' teaching.	Some of the students need targeted support to catch up. This is a methodology which ensures that teaching is provided by experienced teachers and has been recognised as effective practise during external reviews of teaching and learning.	Class teachers will manage their class to best meet the children's needs, with first reference to Pupil Premium Children. Effectiveness of teaching, learning and progress will be assessed during learning walks, book trawls, peer reviews and pupil progress meetings.	Class teacher Head SEND leader	Half Termly
C. Improved attainment in English and Mathematics	Teachers to run 1:1s for identified pupils. Trained TAs to run interventions ECAR	Research including, EEF Toolkit, identifies that teacher-led focused 1:1 teaching has a very good impact on achievement.	Thorough analysis of attainment and progress through the pupil progress meeting	Head, Class teachers	Half Termly

iii. Other approaches					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation ?
A. Ensure targeted children have a good start to their learning day at school	Provide free breakfast clubs catering.	This provides a location for social and emotional learning as well as a balanced nutritional breakfast. This good start to the day has also had a good impact on attendance and punctuality and therefore in all aspects affects the children's readiness to learn	Head to start Breakfast club to help children access reading or ICT homework to reinforce learning.	Head	Half termly
B. Ensure children have access to extra-curricular activities	Provide free access to some After school Sports.	This provides a location for social and emotional learning.		Head	Half termly
D. Access to educational visits for all	To ensure that all children are able to attend the residential visits and field trips by subsidising these.	This universal benefit is planned to reflect the falling income for vulnerable families as a result of the government's welfare reforms.	Take up of this subsidy will be monitored by the School Admin team	Head SL	April 18
E Mental Health Support	Counselling provided for those pupils who need it	Our current cohort of PP pupils show need for emotional resilience and support.	Head and SEND Lead to monitor	Head/SEND Leader	April 18
