

HEATHCOTE PRIMARY SCHOOL

Pupil Premium

This report outlines how our school has spent the Pupil Premium allocation in 2019-2020 and how it plans to spend it in the forthcoming academic year. It also outlines the progress that children in receipt of the pupil premium last year made across areas of reading writing and mathematics. It also outlines our key principles and reasons for spending the Pupil Premium in the way that we do.

Our Principles and Objectives

The Pupil Premium was introduced to address the underlying inequalities between children eligible for free school meals and their peers. It is allocated to schools to work with pupils who have been registered for free school meals at any point in the last six years.

Schools are free to spend the Pupil Premium as they see fit, however our approach and vision for our pupils is to ensure that all are offered **'rich opportunities and memorable experiences'** and that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decisions on how best to use the 'Pupil Premium' are based on the findings of high quality research and publications, as well as OFSTED's own 'best practice' guides. These have supported our decision on expenditure over the best and most effective use of our Pupil Premium Funding.

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Pupil Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Pupil premium spending should be allocated following a needs analysis which identifies children with priority needs; those with the greatest need being children in receipt of free school meals whose progress is not rapid enough.
- Pupils who receive free school meals are not necessarily socially disadvantaged or are making inadequate progress.
- Not all pupils who are socially disadvantaged are registered or qualify for free school meals.
- Our Pupil Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children
- Our Pupil Premium funding should be spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available
- Whilst there are some 'quick wins', there is a need to also take a 'long term view' to stop achievement gaps from widening. Some of our long term objectives will take more than an academic year to come to fruition.

Our Targeted Areas

In order to improve the progress and outcomes for Pupil Premium pupils we aim to:

- Close any gaps that may have formed as a result of Covid 19 period.
- Improve oral language skills and knowledge of phoneme/grapheme correspondence across the school.
- Increase attendance rates for specific pupils eligible for PP.
- Support pupils with specific social and emotional needs which affect their learning
- Support access to trips, workshops and extracurricular activities as required

3. Barriers to future attainment (for pupils eligible for PP, including high ability) In-school barriers *(issues to be addressed in school)*

- A.** Oral language skills and phonics are lower for pupils eligible for Pupil Premium in EYFS, KS1 and lower KS2.
- B.** To identify and act on gaps in learning due to Covid 19.
- C.** Specific children require additional support due to social and emotional needs.

External barriers *(issues which also require action outside school)*

| | | |
|---|--|--|
| <p>D. Overall attendance of PP pupils is only slightly less than non PP but certain children eligible for PP have lateness/attendance issues, which reduce their school hours and cause them to fall behind.</p> <p>E. Specific children cannot afford trips and events, limiting their access to the curriculum.</p> | | |
| 4. Desired outcomes | | |
| | <i>Desired outcomes and how they will be measured</i> | <i>Success criteria</i> |
| A. | Improve oral language skills and knowledge of phoneme/grapheme correspondence | Pupils eligible for PP make rapid progress by the end of the year so that all pupils eligible for PP meet expectations of progress within phonics. This will be evident on Phonics Tracker, though APP interventions and if available phonics screening test. |
| B. | To identify and act on gaps in learning due to Covid 19. Children be supported with closing these gaps. | Pupils eligible for PP will be measured by teacher assessments in September- children will show progress through books, verbal discussions and summative assessments. |
| C. | The identified children will access the curriculum in line with their peers, with adult support. | The identified children will progress at the same rate as their peers from their own starting points. |
| D. | Increased attendance rates for specific pupils eligible for PP. | All children eligible for PP will maintain an attendance of 97% to meet the school target. Lateness will stay below 10%. |
| E. | All children eligible for PP will be able to access trips, workshops and extracurricular activities as required. | Children will have the opportunity to participate in all school activities and some extracurricular activities. |
