

COMING SOON!

The Friends of Heathcote Primary School's

The Friends want to offer the parents of Heathcote Primary School a chance to do their bit for the environment and to save a few pennies for themselves.

Many items of uniform have hardly been worn in the last 12 months but of course, our children keep on growing. The Friends want to offer any item in good condition, for re-sale and generate money for our children at school.

We will be setting up a virtual shop, selling Jumpers and Cardigans with the school Logo on, other items may become available in the future. Please be assured any item donated to the school, will be washed and packaged following COVID safe procedures. All money raised will go direct to the school.

There will be a clearly labelled swing bin in reception for you to drop off any Jumpers or Cardigans from next week. We will prepare any items received over the easter holiday and have a discreet order system in place soon after.

Please support our school. The Friends of Heathcote Primary are currently raising funds for the school to build a permanent **outdoor shelter** for our children at school.
